

AROMA ONE®

READ THIS FIRST

Important Tips:

- **DO NOT overfill!** Max capacity is 60 ml.
- Overfilling will prevent the unit from turning on.
- Maximum Line: Ensure water is below the max line for proper operation.
- Runtime: Plugged in 4 hours / Battery 2-2.5 hours on a full charge.

Charging:

- Rechargeable Battery: Charge the battery outside of the AROMA ONE diffuser.
- **Warning: DO NOT** charge the device battery inside the sauna.

Optimal Use:

- Best suited for use inside Clearlight saunas.

Temperature Guidelines:

Battery-powered: **Avoid temps above 140°F.**

Plugged in (Without the Battery): **Avoid temps above 150°F.**

Using the battery above 140°F may degrade performance.

Thank you for choosing AROMA ONE! Enjoy your aromatherapy.
