

PROLINK™ APP

REMOTE MONITORING PROLINK™ APP

Jacuzzi® Hot Tubs debuts the ProLink™ app so you can remotely monitor and operate your Jacuzzi® Hot Tub.

FEATURES

With your Wi-Fi connected hot tub, ProLink™ allows you to:

- Get maintenance notifications
- Receive water care reminders
- Set up filtration and heater programming
- Adjust your water temperature
- Operate your jets
- Control your lights
- Utilize lock out settings for spa safety
- View your owner's manual
- Access Trouble Shooting and FAQs
- Alert your dealership of service needs

REQUIREMENTS

- The ProLink™ app is compatible with select Jacuzzi® Hot Tub models equipped with the ProLink™ Wi-Fi hardware
- ProLink™ app downloaded to your iOS or Android device
- Home Wi-Fi connection with enough range to reach your hot tub
- ProLink™ is free for the first year and a subscription fee thereafter to continue to monitor your hot tub and receive alerts via the Internet from anywhere

Wi-Fi Enabled
